FAQs

How does the food pantry work?

Our food pantry currently runs on Wednesdays from 5-8 and Saturday mornings from 9-12. We ask you to sign in and provide your name and the ages of those in your household. Then we will provide you with a time slot where you are free to explore the pantry and pick any foods or clothes you want to take home! For any meat, produce, dairy, or eggs, a Lititz Chooses Love volunteer or employee will be there to provide you access and help you.

Are there any requirements?

Nope! We have no requirements to be on assistance or prove anything to us. The only 'requirement' we have is that you must sign in.

Where is the pantry located?

St. Paul Evangelical Lutheran Church at 1258 Newport Rd., Penryn, PA. Sometimes when you put it in a GPS, it'll say Manheim instead of Penryn!

Are the only times available on Wednesday evening and Saturday morning?

Yes. We are able to offer some flexibility from time to time. However, LCL is a team of three part-time staff and volunteers, so we are not always able to offer this. We are open every Wednesday and Saturday!

Can those who live outside of the surrounding areas use the food pantry?

Absolutely! We help people all over the region, no matter the zip code!

What do you have available at the pantry?

We have a collection of dry goods (from mixes and easy meals to vital ingredients!). Along with that, we have a limited amount of dairy, meat, eggs, and produce available. Some items go quicker than others!

Do we have to call ahead to use the pantry?

Nope! Just come during our hours (Wednesday 5-8 or Saturday 9-12), walk in, sign-in, and enjoy!

Is there a max limit for people within the household?

Nope! We try to work with larger families so we can provide you more items! Just let us know!

Is there usually a long wait to get in?

There are busier times than others! Wednesday is often busier than Saturday! When you arrive and sign in, we will give you an assigned time slot. You are free to wait in your car, spend time in the grassy area, or even leave and come back!

Do you deliver?

No. Unfortunately, we do not have the capacity to offer delivery.

Can I pick up food for someone else?

Yep! When you arrive at the pantry and sign in, please share the information of the household you are getting food for and not your own household. You will need to know the ages of those in the household when you sign in.

How do I volunteer?

We always need volunteers! Please sign up using the link: <https://app.initlive.com/web-admin/app/#/join-party?k=fwguzx48twsqcg>

Feel free to explore our website, lititzpride.org, for more information!

Can I donate to the pantry?

Yes! You can bring items to the food pantry during our hours. If you want to donate money, please visit our website, lititzpride.org, and use our donate button!
